<b>Number of reviewers</b>	37		39		46		43		32		34		38		34		38	
<b>Publication within the year</b>	YES		YES		YES		YES		YES		YES		YES		YES			

\*Excessively long manuscripts as well as those which do not present minimum required in a scientific article will be immediately returned to their authors, without further review.

\*\*The calculation is based on the number of articles reviewed.

\*\*\*Some authors abandon the process.
