Ev.: delay < 10 days	3	11.11%
Ev.: delay > 10 < 30 d	7	25.92%
Ev.: > 30 d < 40 d	1	3.7%
Accepted from the total	9	33.33%
Accepted from those evaluated**	9	47.36%
Published***	9	47.36%
Number of reviewers	39	
Publication within year	YES	

*Excessively long manuscripts as well as those which do not present minimum required in a scientific article will be immediately returned to their authors, without further review.

**The calculation is based on the number of articles reviewed.

***Some authors abandon the process.

****This year, exceptionally and still because of the COVID pandemic, reviewers were initially given 4 months to carry out their revisions. That is why the percentage of articles accepted with a delay is larger.
